

Our Environmental Policy

We are fully committed to providing you, our clients with a high quality service whilst minimising the environmental impact of our activities. We are members of the Green Tourism Business Scheme, which provides accreditation and encouragement for sustainable tourism, ensuring the continued enjoyment of the environment around us for future generations.

Whilst here we would encourage our guests to consider their environmental impact and where possible to:

- Feed vegetable trimmings/waste to our chickens/peacocks black swans & tuft pet ducks
- Use separate bins provided for bottles/cans and paper
- Support local food producers and restaurants
- Switch off when not in use
- Save water and towels where you can
- Put hazardous waste (i.e batteries) in the special bin at the recycling centre

In Return We Will

- Supply you with our delicious free range eggs
- Only use recycled paper products incl. our leaflets
- Provide eco hairdryers and eco bulbs where we can
- Supply you with environmentally friendly cleaning products in all lodges
- Provide free bikes, binoculars, rowing boats, wellies and play area so you can enjoy all our low impact activities
- Offer recommendations of local restaurants and producers
- Encourage you around our wonderful natural environment here at the lake with a nature map you can take with you on your walks round the estate
- On-going tree planting programme

We hope you have a wonderful time here at the lake and join us in our enthusiasm to ensure the protection of this wonderful environment for future generations to enjoy
